31 August 2026

I am applying for the Conveyancing Assistant role at Mallory Pryce's Holyport office. My background in property law, client-facing legal work and case management makes me well placed to support a busy residential conveyancing team.

During my year-long placement at Bryan Cave Leighton Paisner, six months of which I spent in Real Estate Disputes, I supported solicitors and partners across a range of property matters — including leasehold disputes, landlord and tenant issues, rights of light and easements. Day-to-day, I prepared electronic bundles, assisted with court materials, maintained matter records on iManage, handled court filings and tracked deadlines across several concurrent files. That experience gave me a practical grounding in property law and in the file-management discipline that conveyancing demands.

Since July 2026 I have been working as a Legal Adviser at Citizens Advice East Berkshire, where I manage a caseload spanning housing, debt, welfare benefits and consumer matters. I take detailed client instructions, draft correspondence and applications, maintain confidential case records and translate complex procedural requirements into clear guidance for clients — many of whom are in difficult circumstances. Client care and clear communication sit at the centre of that role, and I approach both seriously.

I also have experience reviewing contractual documentation and identifying risk, from my internship at Adobe, and have handled data-privacy and compliance matters at Q-Legal. I am organised, comfortable with competing deadlines and used to working accurately under pressure.

I am based in Maidenhead and am particularly attracted to a permanent role that offers ongoing development within a property law team. I would welcome the opportunity to discuss the position further.

Thank you for considering my application.
