Dear Hiring Manager,

I am applying for the Conveyancing Paralegal role at Mallory Pryce. I am based in the Reading area and am looking to move into a property-focused paralegal position where I can apply my caseload management, drafting and client-care experience within a busy, client-focused team.

During my year-long placement at Bryan Cave Leighton Paisner, I spent six months in the Real Estate Disputes team supporting a varied caseload of landlord and tenant, leasehold, easement and rights-of-light matters. I prepared electronic hearing bundles, assisted with skeleton arguments and court materials, conducted legal and factual research, and maintained matter records through iManage across several simultaneous matters with competing deadlines. That experience gave me a solid grounding in property law concepts and in the disciplined file management and deadline tracking that a busy property team requires.

More broadly, I have worked with high document volumes in complex, deadline-sensitive environments throughout my career. At BCLP's International Arbitration team I became the sole junior on a significant matter shortly before a major procedural deadline — coordinating documents, tracking outstanding actions and helping ensure on-time submission. I am comfortable working at pace without letting accuracy or client care slip.

In my current role as a Legal Adviser at Citizens Advice East Berkshire I manage matters from initial client instruction through to submission: taking detailed factual statements, drafting correspondence, preparing document schedules and maintaining confidential case records. Communicating clearly with clients about procedural requirements — including clients who find legal processes unfamiliar or stressful — is a regular part of the role, and I take client care seriously.

I hold an LLB (2:1, UCL) and am completing an LLM in Comparative and International Dispute Resolution at Queen Mary. I am keen to consolidate my property law knowledge within a residential conveyancing practice and to contribute to the efficient workflows and excellent client service your team is known for.

I would welcome the opportunity to discuss the role further.

Yours sincerely,
Maria Fernanda Silva
