Dear Hiring Manager,

I am writing to apply for the Conveyancing Administrator role at your Marlow office, advertised through qed legal.

I bring a solid administrative and legal support foundation developed across a year-long placement at Bryan Cave Leighton Paisner, where I supported the Real Estate Disputes team across multiple property-related matters, including leasehold issues, landlord and tenant disputes, rights of light and easements. In that role I prepared electronic hearing bundles, maintained matter records on iManage, assisted with court filings, tracked deadlines across competing matters, and managed large volumes of confidential documents with accuracy and care. While that experience sat within a disputes context, the underlying skills — file management, deadline discipline, document control and client communication — translate directly into a busy conveyancing environment.

In my current role as Legal Adviser at Citizens Advice East Berkshire, I manage a caseload spanning housing and property matters alongside welfare and employment work. I take detailed client instructions, draft correspondence, prepare document schedules and maintain confidential case records, all while communicating clearly with clients who are often dealing with complex or stressful situations. Working at pace while keeping files accurate and clients informed is something I do daily.

I am based in Maidenhead, so Marlow is a very practical commute, and I am drawn to the opportunity to build focused expertise within a residential conveyancing team. I am a quick learner who takes organisation seriously, and I would welcome the chance to contribute to a supportive and established property department.

I would be glad to discuss my background further at your convenience.

Yours sincerely,
Maria Silva
